IF ROOSEVELT WILL FIGHT, \$10,000 AWAITING HIM

New York, Sept. 5.—Theodore Roosevelt has a small fortune awaiting him if he joins the English Colors. George Goss, a real estate dealer living at 1616 De Kalb avenue, Brooklyn, will hand over a certified check for \$10,000 if T. R. will shoulder a musket and start for France. He made the offer last night and told a reporter that other German-Americans living in Brooklyn would double the sum.

"I voted for Roosevelt three times," he said. "When he ran for Governor of New York I supported him, and I even went so far as to leave the Republican party in his behalf. But he talks entirely too much for me. I want to see him back up some of his remarks. I want to see him start out like a real fighting man and if he does I have \$10,000-I shall hand him."

"Roosevelt denounces Germany, and even insults our president, our secretary of war and our whole administration. What we citizens should do is let Wilson alone."

Mr. Goss said that the men willing to offer the money were representative business men. He stipulated that Roosevelt should not get the money until he was actively on the firing line.

AMERICAN FLAG FLIES OVER 2708 VESSELS

Washington, Sept. 5.—More ships are now flying the American flag in the foreign trade than at any other time since 1863, and the United States is pressing close upon France and Norway as a maritime nation.

For the year ended June 30, according to the figures made public at the department of Commerce today, there were registered in the foreign trade 2,768 ships, totaling 1,812,775 gross tons, an increase of 363 ships and 727,422 tons for the year.

"This is about triple the increase in registered tonnage for any previous year in American history," said Acting Secretary Sweet today. "Our registered tonnage is now much greater than at any time since 1863, when we had 2,026,114 gross tons in foreign trade. It is many times more efficient, however, as the steam tonnage now amounts to 1,373,987 gross tons, while in 1863 it was but 123,215 tons.

"The increase from the ship registry act of August, 1914, to June 15, 1915, was so rapid that tonnage under the American flag now employed in foreign trade is nearly equal to such tonnage under the French and Norwegian flags; British tonnage of course is more than tenfold greater.

CALOMEL DYNAMITES A SLUGGISH LIVER

Crashes into your bile, making you sick and you lose a day's work

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with your bile it crashes into it, causing cramping and nausea.

If you feel bilious headachy, constipated and all knuckled out, just go to your druggist and get a 50c bottle of Dodson's Liver Tonic, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; be sides it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it. No 13
